

COMPANY WHS (OH&S) QUALITY & ENVIRONMENTAL POLICIES & OBJECTIVES

TAPPRO P/L is committed to the protecting of the environment, the health & safety of workers and to achieving a sustained level of quality that is needed to satisfy our clients and stakeholders.

We will do this by:

- working with our clients, authorities, contractors and suppliers to provide services that meet our client's specific needs
- developing long term relationships to ensure the best outcomes for our clients, authorities and our company
- to deliver our jobs to clients on time, to requirements and on budget,
- providing evidence throughout that all works have been constructed in accordance with the clients and authority requirements,
- identify and manage the risks associated with our work
- to provide a safe, healthy and environmentally friendly workplace, including depots, workshops and work sites
- strive for continued improvement of service delivery through measurement of waste, rework and client satisfaction
- comply with all relevant authority, regulatory and statutory requirements such as Acts, Regulations, Codes of Practice pertaining to environmental aspects
- provide the necessary resources and commitment to ensure our environmental objectives and targets are met
- provision of the necessary resources and commitment to ensure prevention of pollution.
- Ensure this policy is documented, implemented, maintained and made available to interested parties and stakeholders by the MD on request.

Our objectives/targets in meeting our environmental policy are to:

- satisfy our client's requirements through thorough commitment and meeting their needs
- increase our profit through reduced rework and waste
- increase our client base and repeat work from existing clients
- our aim is to have zero workplace accidents or incidents through proactive commitment to procedures and policies
- ensure our suppliers and subcontractors operate with the same objectives in mind based on consultation and communication
- consult and communicate with the people involved in our works to enable the above and providing relevant policies and procedures as required
- providing information to the general public when requested,
- completion of annual reviews of our systems, objectives and targets to ensure correctness, adequacy and relevancy through internal or external auditing.
